Child and Adult Care Food Program (CACFP)

Sample Cold Breakfast Menus for CACFP Child Care Centers and Homes

This document provides guidance and sample breakfast menus for ages 3-5 in child care centers, emergency shelters, at-risk afterschool care centers, and family day care homes that participate in the U.S. Department of Agriculture's (USDA) CACFP. The specified servings meet or exceed the requirements of the *CACFP Meal Patterns for Children* and are indicated in parentheses after each menu item. Servings may be adjusted for other ages.

The CACFP breakfast meal pattern for ages 3-5 requires ³/₄ cup of unflavored low-fat (1%) or unflavored fat-free milk; ¹/₂ cup of vegetables, fruits, or both; and ¹/₂ ounce equivalent (oz eq) of grains. Meat/meat alternates may substitute for the entire grains component at breakfast up to three times per week.

For detailed guidance on the CACFP meal patterns for children, refer to the Connecticut State Department of Education's (CSDE) guide, *Meal Pattern*Requirements for CACFP Child Care Programs. For additional resources, refer to the CSDE's Resources for the CACFP Meal Patterns and visit the CSDE's Meal Patterns for CACFP Child Care Programs webpage.

Children younger than 4 are at the highest risk of choking. Consider children's age and developmental readiness when deciding what foods to offer in CACFP menus. Modify menus as appropriate and use preparation techniques to reduce the risk of choking. For additional guidance, visit the "Choking Prevention" section of the CSDE's Food Safety for Child Nutrition Programs webpage.

Menu Planning Considerations for Breakfast

Consider the meal pattern requirements and recommendations below when planning breakfast menus. For detailed guidance on crediting foods, refer to the CSDE's Crediting Summary Charts for the CACFP Meal Patterns for Children and visit the CSDE's Crediting Foods in CACFP Child Care Programs webpage.

• Fruits and vegetables: Before planning juice at breakfast, check that the other meals and snacks that same day do not include juice. Pasteurized full-strength juice (including fruit and vegetable juice, frozen pops made from 100 percent juice, pureed fruits and vegetables in smoothies, and juice from canned fruit in 100 percent juice) credits as either the vegetables component or fruits component at only one meal or snack per day. For more

information, refer to the CSDE's resources, *Crediting Juice in the CACFP* and *Crediting Smoothies in the CACFP*. Dried fruits credits as twice the volume served, e.g., ½ cup of raisins credits as ½ cup of the fruits component. Raw leafy greens such as lettuce or spinach credit as half the volume served, e.g., ½ cup of raw leafy greens credits as ¼ cup of the vegetables component. For more information on crediting fruits and vegetables, visit the "Fruits Component" section and the "Vegetables Component" section of the CSDE's Crediting Foods in CACFP Child Care Programs webpage.

- Grains: Grains must be whole grain, enriched, bran, or germ. At least one serving of grains per day must be whole-grain rich (WGR). The USDA's CACFP Best Practices recommends at least two servings of WGR grains per day. Cooked and ready-to-eat (RTE) breakfast cereals cannot exceed 6 grams of sugars per dry ounce. For more information, refer to the CSDE's resources, How to Identify Creditable Grains in the CACFP, Crediting Breakfast Cereals in the CACFP, Crediting Whole Grains in the CACFP, Crediting Enriched Grains in the CACFP and Meeting the Whole Grain-rich Requirement for the CACFP. Grains must meet the required weights (groups A-E) or volumes (groups H-I) in Grain Ounce Equivalents for the CACFP or provide the minimum creditable grains per serving. For more information, refer to the CSDE's resource, Calculation Methods for Grain Ounce Equivalents in the CACFP. Grain-based desserts (such as cookies, doughnuts, cereal bars, granola bars, pastries, cake, and brownies) do not credit. The CSDE recommends limiting sweet crackers (graham crackers and animal crackers) to no more than twice per week between all meals and snacks. For more information, visit the USDA's webpage, Grain-based Desserts in the CACFP. For more information on crediting grains, visit the "Grains Component" section of the CSDE's Crediting Foods in CACFP Child Care Programs webpage.
- Meat/meat alternates substituted for grains: Meat/meat alternates may substitute for the entire grains component at breakfast up to three times per week. A ½-ounce serving of meat/meat alternates (such as half of a large egg, 1 tablespoon of peanut butter, ¼ cup of yogurt, ½ ounce of cheese or ½ cup of cottage cheese) credits as ½ oz eq of the grains component. The serving refers to the edible portion of cooked lean meat, poultry, or fish as served, e.g., cooked lean meat without bone, breading, binders, extenders, or other ingredients. Nut and seed butters credit by volume (tablespoons) not weight. Yogurt cannot exceed 23 grams of total sugars per 6 ounces (3.83 grams per ounce). Commercial meat products with binders and extenders (such as deli meats, hot dogs, and sausage) and commercial combination foods (such as pizza and chicken nuggets) require a Child Nutrition (CN) label or product formulation statement (PFS) to determine crediting information. For more information on crediting, meat/meat alternates, refer to the CSDE's resources, Crediting Deli Meats in the CACFP and Crediting Commercial Meat/Meat Alternate Products in the CACFP, and visit the "Meat/Meat Alternates Component" section of the CSDE's Crediting Foods in CACFP Child Care Programs webpage. The USDA's CACFP Best Practices recommends serving only lean meats, nuts, and legumes; limiting processed meats to one serving per week; and serving only low-fat or reduced-fat natural cheese.
- **Noncreditable foods:** Noncreditable foods cannot be served in place of the required components. Examples of noncreditable foods include potato chips, pudding, ice cream, gelatin, cream cheese, bacon, condiments (e.g., syrup, jam, ketchup, mustard, mayonnaise, and butter), and water. For more information, refer to the CSDE's resource, *Noncreditable Foods in CACFP Child Care Programs*.

Crediting Documentation

CACFP facilities must be able to document that breakfast menus provide the required food components and quantities. Use the USDA's Food Buying Guide for Child Nutrition Programs (FBG) to determine the amount of purchased food that meets the required serving for each meal pattern component. Commercial processed foods not listed in the FBG require a CN label or PFS to document crediting information. For more information, refer to the CSDE's resources, Using Child Nutrition (CN) Labels in the CACFP, Using Product Formulation Statements in the CACFP, and Accepting Processed Product Documentation in the CACFP, and visit the "Crediting Commercial Processed Products" section of the CSDE's Crediting Foods in CACFP Child Care Programs webpage.

Foods made from scratch must have a recipe that documents the crediting information per serving. For more information, visit the "Crediting Foods Made from Scratch" section of the CSDE's Crediting Foods in CACFP Child Care Programs Programs webpage.

Abbreviations for Sample Menus

 $\mathbf{M} = \text{Milk component}$

G = Grains component

VF = Fruits component

WGR = Whole grain-rich

MMA = Meat/meat alternate substituted for the grains component

Not credited

A = Additional creditable food (not full serving)

O = Other food (noncreditable)

 $\mathbf{c} = \text{cup}$

 $\mathbf{Tbsp} = \mathsf{tablespoon}$

tsp = teaspoon

 $\mathbf{oz} = \mathrm{ounce}$

oz eq = ounce equivalent

Note: The CSDE's sample menus are intended for informational purposes and do not guarantee compliance with the CACFP breakfast meal pattern. Crediting information for local menus will vary depending on the types of foods purchased by the CACFP facility, and the recipes and preparation techniques used. CACFP facilities are responsible for ensuring that their menus meet the CACFP meal patterns for children and maintaining appropriate crediting documentation on file (refer to "Crediting Documentation" above).

		Monday	Tuesday	Wednesday	Thursday	Friday

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: https://www.usda.gov/oascr/how-to-file-a-program-discrimination-complaint, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights 1400 Independence Avenue, SW Washington, D.C. 20250-9410;
- (2) fax: (202) 690-7442; or
- (3) email: program.intake@usda.gov.

The Connecticut State Department of Education is committed to a policy of affirmative action/equal opportunity for all qualified persons. The Connecticut Department of Education does not discriminate in any employment practice, education program, or educational activity on the basis of age, ancestry, color, civil air patrol status, criminal record (in state employment and licensing), gender identity or expression, genetic information, intellectual disability, learning disability, marital status, mental disability (past or present), national origin, physical disability (including blindness), race, religious creed, retaliation for previously opposed discrimination or coercion, sex (pregnancy or sexual harassment), sexual orientation, veteran status or workplace hazards to reproductive systems, unless there is a bona fide occupational qualification excluding persons in any of the aforementioned protected classes.

Inquiries regarding the Connecticut State Department of Education's nondiscrimination policies should be directed to: Levy Gillespie, Equal Employment Opportunity Director/Americans with Disabilities Coordinator (ADA), Connecticut State Department of Education, 450 Columbus Boulevard, Suite 505, Hartford, CT 06103, 860-807-2071, levy.gillespie@ct.gov.

This institution is an equal opportunity provider.
